Affidavit

Affidavit

I hereby affirm that this paper was authored independently and solely by me.

No sources other than those listed in the reference section were used.

Any parts of this paper, including tables and figures, which were taken directly or indirectly from other works, have been properly cited with regard to their origin and authorship.

This paper, either in part or in its entirety, has not been submitted to any other examination board and has not been published in the same or similar form.

I acknowledge that the university may use plagiarism detection software to verify this work.

I agree to cooperate with any investigation into suspected plagiarism and to provide any additional information or evidence required by the university.

Checklist

☒ The handout contains 3–5 pages of text.

☒ The submission contains the Quarto file of the handout.

☒ The submission contains the Quarto file of the presentation.

☒ The submission contains the HTML file of the handout.

☒ The submission contains the HTML file of the presentation.

☒ The submission contains the PDF file of the handout.

☒ The submission contains the PDF file of the presentation.

☒ The title page of both the presentation and handout contains personal details (name, email, matriculation number).

☒ The handout contains a bibliography created using BibTeX with APA citation style.

☒ Either the handout or presentation includes R code demonstrating coding expertise.

☒ The Affidavit is completed.

☒ The presentation and handout are published on GitHub with a link provided.
